

Max - Feature Request #1573

output~.module: Provide time information when recording

2013-04-16 05:34 pm - Trond Lossius

Status:	Closed	Start date:	2013-04-16
Priority:	Normal	Due date:	
Assignee:	Trond Lossius	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Porting audio modules	Spent time:	0.00 hour
Branch:	master		
Description			
In the same way as we get time progress information when playing back a sound file in input~.module, it would be useful to have information on how long a recording have been going on for.
